

CERTIFICATE

This is to certify that

DIN software

DIN Software GmbH

Saatwinkler Damm 42/43
13627 Berlin
Germany

has implemented and maintains a **Quality Management System**.

Scope:

Gathering information on standards, technical rules and regulations published by national, European and international standard setting and regulatory bodies in order to facilitate access to content and formal interdependencies of such documents.

Operating databases and data infrastructures to enable business processes of the DIN-Group of companies.

Provision of data and services throughout the sectors of structured information on standardization, specification and technical regulation.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

DIN EN ISO 9001:2015-11
