

# Webseiten der DIN Software GmbH in Englisch

Qualität

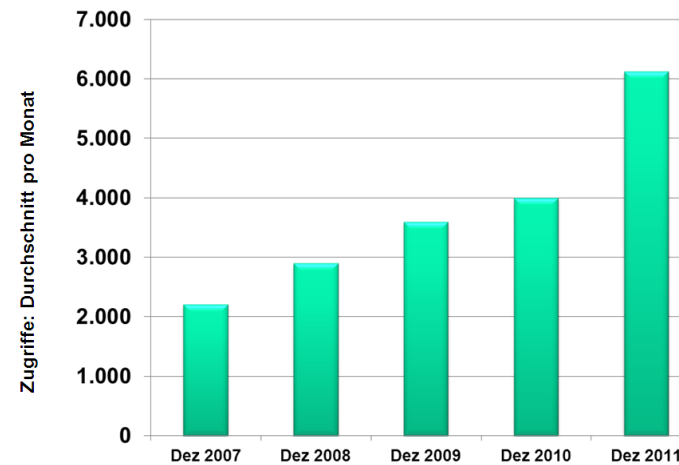

Innovation

Prozesse

April 2012 / scm

The screenshot shows the German version of the DIN Software website. The header includes the logo and navigation links for English, DIN, Beuth Verlag, Impressum, Kontakt, Datenschutz, and Suche. The main content area is titled 'Informationsdienste der DIN Software GmbH' and features several sections: 'Weltweit vernetzt' (Global network), 'Normeninformationen in Geschäftsprozessen' (Standards information in business processes), 'Datenbankstatistik' (Database statistics), and 'Qualitätsmanagement' (Quality management). A sidebar on the left lists various services like 'Informationsprodukte', 'Dienstleistungen', and 'Normenmanagement'.

## www.dinsoftware.de

The screenshot shows the English version of the DIN Software website. The header includes the logo and navigation links for Deutsch, DIN, Beuth Verlag, Legal notice, Contact, Privacy statement, and Search. The main content area is titled 'DIN Software's information services' and features sections: 'Weltweit vernetzt' (Global network), 'Standards information products and services', 'Manage your standards collection', 'TBT Enquiry Point', and 'Quality Management System'. A sidebar on the left lists 'Information Services' such as 'Standards information', 'Standards management', 'TBT Enquiry Point', and 'Quality management'.

## www.dinsoftware.com

Kundenseitig wurde zunehmend ein englischsprachiger Webauftritt der DIN Software gewünscht, der seit April 2012 zur Verfügung steht.
